

I am writing in support of FM Translators, particularly K-LOVE, a nationwide service. I understand that proposed rule changes would favor LPFM over K-LOVE and other FM Translators. In our community, K-LOVE is widely listened to, and the service highly valued. It would be a great loss to have K-LOVE replaced by a LPFM service meeting some other need. K-LOVE addresses the need of the Christian Community, as well as outreach to other communities in many locations throughout the country. We strongly support K-LOVE, and oppose rule changes that would adversely affect its availability. Thank you for the opportunity to comment on this topic.
